

Bramble.cc continues to be the most successful EDRM Specialist Solutions provider on Catalist

Bramble.cc continues to be the most successful EDRM Specialist Solutions provider since the framework category lot went live, says the OGCBuying.solutions April 2007 status report.

Bramble.cc are a route to procurement for EDRM/ECM specialist services and continue to offer you best-value solutions, ranging from scoping, appraisals, benefits, strategies and project initiation, to complete EDRM systems, scanning, software supply and all the supporting consultancy services. Bramble.cc has provided services through the Catalist route to Central Civil Government, Health, Local Government and the Utility sectors.

For example Bramble.cc have supplied scanning services to NHS Professionals, Southampton City Council, Airedale NHS Trust, South Oxfordshire District Council, and Chelsea & Westminster Hospital.
